

Great News Everyone

As of September 2016; we became a Certified Missouri Service Disabled Veteran Enterprise (SDVE). As we strive to be the best at our job, we still have a strong believe in our Great Country and veterans across the nation. As we all know our veterans have sacrificed so much for our great nation, so let us give back to our veterans across the nation. We at BHG Safety Partners be as professional as our military veterans of today and yesterday. So take a chance on a small disabled veteran owned businesses across our great nation.

We are working hard to become certified as a disabled veteran owned business through the federal government. So keep your eyes out for the great news.
